## QUOTE REQUEST/ORDER FORM

### How to Complete the Form

1. Provide Accurate Measurements: Include the external upstand dimensions (width and projection). Ensure measurements are in millimetres (mm).
2. Select Your Options: Choose your preferred:
  - Frame colour.
  - Roof vents (manual, electric, or climate control).
3. Review for Accuracy: Double-check your measurements and selections to ensure everything is correct.

### Submitting Your Form

1. Complete and Save: Fill out the attached form digitally or by hand.
2. Email Your Form: Send the completed order form to [info@theplasticshed.com](mailto:info@theplasticshed.com).
3. Need Help? If you have questions or require assistance, contact us at [Your Contact Number].
